

■ Termination of clearing services for Powernext markets

Since 1 April 2009, the clearing of all French power contracts (Day-Ahead and Futures) has been transferred from LCH.Clearnet SA to European Commodity Clearing AG (ECC).

On 2 April 2009, open positions on Powernext® Futures (except for positions in delivery during April) were transferred from LCH.Clearnet SA to ECC.

The transfer process from LCH.Clearnet SA to ECC AG was successfully completed as scheduled.

We would like to thank members for their active participation and involvement in this transfer process.
